**PLAINTIFF'S ORIGINAL PETITION**

---

**TO THE HONORABLE JUDGE OF SAID COURT:**

COMES NOW Pascual Avalos (hereinafter "Plaintiff"), and complains of State Farm Lloyds (hereinafter "State Farm"). In support of his claims and causes of action, Plaintiff would respectfully show the Court as follows:

**DISCOVERY LEVEL**

1. Plaintiff intends for discovery to be conducted at Level 2, pursuant to Rule 190 of the Texas Rules of Civil Procedure.

**JURISDICTION AND VENUE**

2. This Court has jurisdiction to hear Plaintiff's claims under Texas common law and Texas statutory law. Inarguably, the amount in controversy exceeds the minimum jurisdictional limits of this Court. Venue is also proper, as all or a substantial part of the events giving rise to this suit occurred within the city of Abilene, in Taylor County, Texas.

**PARTIES**

3. Plaintiff is an individual whose residence is located in Abilene, Taylor County, Texas.

4. Defendant State Farm is a Texas insurer, which may be served with process by serving this Original Petition and a copy of the citation on its Registered Agent, Corporation Service Company, 211 East 7th Street, Suite 620, Austin, Texas 78701.

**BACKGROUND**

5. This matter revolves largely around a first party insurance dispute regarding the extent of damages and amount of loss suffered to the Plaintiff's Property, which is located at 2108 N. 6th, Abilene, Texas 79603, (the "Property"). In addition to seeking economic and penalty based damages from State Farm, Plaintiff also seeks compensation from State Farm for damages caused by improperly investigating the extensive losses associated with this case.

6. Plaintiff owns the Property.

7. Prior to the occurrence in question, Plaintiff purchased a residential insurance policy from State Farm to cover the Property at issue in this case for a loss due to storm-related events. Plaintiff's Property suffered storm-related damage. Through his residential policy, 93-CJB477-7, Plaintiff was objectively insured for the subject loss by Defendant.

8. On or around June 12, 2014, the Property suffered incredible damage due to storm related conditions.

9. In the aftermath, Plaintiff relied on State Farm to help begin the rebuilding process. By and through his residential policy, Plaintiff was objectively insured for the subject losses in this matter.

10. Pursuant to his obligation as a policyholder, Plaintiff made complete payment of all residential insurance premiums in a timely fashion. Moreover, his residential policy covered Plaintiff during the time period in question.

11. Despite Plaintiff's efforts, State Farm continually failed and refused to pay Plaintiff in accordance with its promises under the Policy.

12. Moreover, State Farm has failed to make any reasonable attempt to settle Plaintiff's claims in a fair manner, although its liability to the Plaintiff under the policy is without dispute.

13. In the months following, Plaintiff provided information to State Farm, as well as provided opportunities for State Farm to inspect the Property. However, State Farm failed to conduct a fair investigation into the damage to the Property. Moreover, State Farm failed to properly inspect the Property and its related damages, failed to properly request information, failed to properly investigate the claim, failed to timely evaluate the claim, failed to timely estimate the claim, and failed to timely and properly report and make recommendations in regard to Plaintiff's claims.

14. Despite State Farm's improprieties, Plaintiff continued to provide information regarding the losses and the related claim to State Farm. Further, Plaintiff made inquiries regarding the status of the losses, and payments. Regardless, State Farm failed and refused to respond to the inquiries, and failed to properly adjust the claim and the losses. As a result, to this date, Plaintiff has not received proper payment for his claim, even though notification was provided.

15. State Farm has failed to explain the reasons for failing to offer adequate compensation for the damage to the Property. State Farm has furthermore failed to offer Plaintiff

adequate compensation without any explanation why full payment was not being made. State Farm did not communicate that any future settlements or payments would be forthcoming to pay the entire losses covered under the policy.

16. State Farm has further failed to affirm or deny coverage within a reasonable time. Plaintiff also did not receive timely indication of acceptance or rejection regarding the full and entire claim in writing from State Farm in a timely manner.

17. State Farm has, to date, refused to fully compensate Plaintiff under the terms of the policy for which Plaintiff paid, even though it was State Farm that failed to conduct a reasonable investigation. Ultimately, State Farm performed a result-oriented investigation of Plaintiff's claim that resulted in an unfair, biased and inequitable evaluation of Plaintiff's losses.

18. State Farm has failed to meet its obligations under the Texas Insurance Code regarding timely acknowledging Plaintiff's claim, beginning an investigation of Plaintiff's claim, and requesting all information reasonably necessary to investigate Plaintiff's claims within the time period mandated by statute.

19. As a result of the above issues, Plaintiff did not receive the coverage for which he had originally contracted with State Farm. Unfortunately, Plaintiff has, therefore, been forced to file this suit in order to recover damages arising from the above conduct, as well as overall from the unfair refusal to pay insurance benefits.

20. In addition, State Farm has failed to place adequate and proper coverage for Plaintiff causing Plaintiff to suffer further damages. As indicated below, Plaintiff seeks relief under the common law, the Deceptive Trade Practices-Consumer Protection Act and the Texas Insurance Code.

**CONDITIONS PRECEDENT**

21. All conditions precedent to recovery by Plaintiff has been met or has occurred.

**AGENCY**

22. All acts by State Farm were undertaken and completed by its officers, agents, servants, employees, and/or representatives. Such were either done with the full authorization or ratification of State Farm and/or were completed in its normal and routine course and scope of employment with State Farm.

**CLAIMS AGAINST DEFENDANT**

23. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

**A.  
BREACH OF CONTRACT**

24. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

25. According to the policy that Plaintiff purchased, State Farm had the absolute duty to investigate Plaintiff's damages, and to pay Plaintiff's policy benefits for the claims made due to the extensive storm-related damages.

26. As a result of the storm-related event, Plaintiff suffered extreme external and internal damages.

27. Despite objective evidence of such damages, State Farm has breached its contractual obligations under the subject insurance policy by failing to pay Plaintiff benefits relating to the cost to properly repair Plaintiff's Property, as well as for related losses. As a result of this breach, Plaintiff has suffered actual and consequential damages.

**B.**  
**VIOLATIONS OF TEXAS DECEPTIVE TRADE**  
**PRACTICES ACT AND TIE-IN-STATUTES**

28. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

29. State Farm's collective actions constitute violations of the DTPA, including but not limited to, Sections 17.46(b) (12), (14), (20), (24), and Section 17.50(a) (4) of the Texas Business & Commerce Code. State Farm collectively engaged in false, misleading, or deceptive acts or practices that included, but were not limited to:

- a. Representing that an agreement confers or involves rights, remedies, or obligations which it does not have or involve, or which are prohibited by law;
- b. Misrepresenting the authority of a salesman, representative, or agent to negotiate the final terms of a consumer transaction;
- c. Failing to disclose information concerning goods or services which were known at the time of the transaction, and the failure to disclose such information was intended to induce the consumer into a transaction into which the consumer would not have entered had such information been disclosed;
- d. Using or employing an act or practice in violation of the Texas Insurance Code;
- e. Unreasonably delaying the investigation, adjustment and resolution of Plaintiff's claim;
- f. Failure to properly investigate Plaintiff's claim; and/or
- g. Hiring and relying upon a biased engineer and/or adjuster to obtain a favorable, result-oriented report to assist State Farm in low-balling and/or denying Plaintiff's damage claim.

30. As described in this Original Petition, State Farm represented to Plaintiff that his insurance policy and State Farm's adjusting and investigative services had characteristics or benefits that it actually did not have, which gives Plaintiff the right to recover under Section 17.46 (b)(5) of the DTPA.

31. As described in this Original Petition, State Farm represented to Plaintiff that its insurance policy and State Farm's adjusting and investigative services were of a particular standard, quality, or grade when they were of another, which stands in violation of Section 17.46 (b)(7) of the DTPA.

32. By representing that State Farm would pay the entire amount needed by Plaintiff to repair the damages caused by the storm-related event and then not doing so, State Farm has violated Sections 17.46 (b)(5), (7) and (12) of the DTPA.

33. State Farm has breached an express warranty that the damage caused by the storm-related event would be covered under the subject insurance policies. This breach entitles Plaintiff to recover under Sections 17.46 (b) (12) and (20) and 17.50 (a) (2) of the DTPA.

34. State Farm's actions, as described herein, are unconscionable in that it took advantage of Plaintiff's lack of knowledge, ability, and experience to a grossly unfair degree. State Farm's unconscionable conduct gives Plaintiff the right to relief under Section 17.50(a)(3) of the DTPA.

35. State Farm's conduct, acts, omissions, and failures, as described in this Original Petition, are unfair practices in the business of insurance in violation of Section 17.50 (a) (4) of the DTPA.

36. Plaintiff is a consumer, as defined under the DTPA, and relied upon these false, misleading, or deceptive acts or practices made by State Farm to his detriment. As a direct and proximate result of State Farm's collective acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which Plaintiff now sues. All of the above-described acts, omissions, and failures of State Farm are a producing cause of Plaintiff's damages that are described in this Original Petition.

37. Because State Farm's collective actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional penalty damages, in an amount not to exceed three times such actual damages, for State Farm having knowingly committed its conduct. Additionally, Plaintiff is ultimately entitled to recover damages in an amount not to exceed three times the amount of mental anguish and actual damages due to State Farm having intentionally committed such conduct.

38. As a result of State Farm's unconscionable, misleading, and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code, as well as any other such damages to which Plaintiff may show himself to be justly entitled at law and in equity.

**C.**  
**VIOLATIONS OF TEXAS INSURANCE CODE**

39. Plaintiff hereby incorporates by reference all facts and circumstances set forth within the foregoing paragraphs.

40. State Farm's actions constitute violations of the Texas Insurance Code, including but not limited to, Article 21.21 Sections 4(10) (a) (ii), (iv), and (viii) (codified as Section 541.060), Article 21.21 Section 11(e) (codified as Section 541.061), and Article 21.55 Section 3(f) (codified as Section 542.058). Specifically, State Farm engaged in certain unfair or deceptive acts or practices that include, but are not limited to the following:

- a. Failing to attempt, in good faith, to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability has become reasonably clear;
- b. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim or for the offer of a compromise settlement of a claim;
- c. Refusing to pay a claim without conducting a reasonable investigation with respect to the claim;
- d. Forcing Plaintiff to file suit to recover amounts due under the policy by refusing to pay all benefits due;
- e. Misrepresenting an insurance policy by failing to disclose any matter required by law to be disclosed, including a failure to make such disclosure in accordance with another provision of this code; and/or
- f. Failing to pay a valid claim after receiving all reasonably requested and required items from the claimant.

41. Plaintiff is the insured or beneficiary of a claim which was apparently valid as a result of the unauthorized acts of State Farm, and Plaintiff relied upon these unfair or deceptive acts or practices by State Farm to his detriment. Accordingly, State Farm became the insurer of Plaintiff.

42. As a direct and proximate result of State Farm's acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which he now sues.

43. Since a violation of the Texas Insurance Code is a direct violation of the DTPA, and because State Farm's actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional damages in an amount not to exceed three times the amount of actual damages, for State Farm having knowingly committed such conduct. Additionally, Plaintiff is entitled to recover damages in an amount not to exceed three times the amount of mental and actual damages for State Farm having intentionally committed such conduct.

44. As a result of State Farm's unfair and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code or Article 21.21 Section 16(b) (1) (codified as Section 541.152) of the Texas Insurance Code and any other such damages to which Plaintiff may show himself justly entitled by law and in equity.

**D.**  
**BREACH OF THE COMMON-LAW DUTY**  
**OF GOOD FAITH AND FAIR DEALING**

45. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

46. By its acts, omissions, failures and conduct, State Farm has breached its common law duty of good faith and fair dealing by denying Plaintiff's claims or inadequately adjusting and making an offer on Plaintiff's claims without any reasonable basis, and by failing to conduct a reasonable investigation to determine whether there was a reasonable basis for this denial.

47. State Farm has also breached this duty by unreasonably delaying payment of Plaintiff's entire claims and by failing to settle Plaintiff's claims, as State Farm knew or should have known that it was reasonably clear that Plaintiff's storm-related claims were covered. These acts, omissions, failures, and conduct by State Farm is a proximate cause of Plaintiff's damages.

**E.**  
**UNFAIR INSURANCE PRACTICES**

48. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

49. Plaintiff has satisfied all conditions precedent to bringing these causes of action. By its acts, omissions, failures, and conduct, State Farm has engaged in unfair and deceptive acts or practices in the business of insurance in violation of Chapter 541 of the Texas Insurance Code.

50. Such violations include, without limitation, all the conduct described in this Original Petition, plus State Farm's failure to properly investigate Plaintiff's claim. Plaintiff also includes State Farm's unreasonable delays in the investigation, adjustment, and resolution of Plaintiff's claims and State Farm's failure to pay for the proper repair of Plaintiff's Property, as to which State Farm's liability had become reasonably clear.

51. Additional violations include State Farm's hiring of and reliance upon biased adjusters and/or engineers to obtain favorable, result-oriented reports to assist it in low-balling

and denying Plaintiff's storm-related damage and related claims. Plaintiff further includes State Farm's failure to look for coverage and give Plaintiff the benefit of the doubt, as well as State Farm's misrepresentations of coverage under the subject insurance policy. Specifically, State Farm is also guilty of the following unfair insurance practices:

- a. Engaging in false, misleading, and deceptive acts or practices in the business of insurance in this case;
- b. Engaging in unfair claims settlement practices;
- c. Misrepresenting to Plaintiff pertinent facts or policy provisions relating to the coverage at issue;
- d. Not attempting in good faith to effectuate a prompt, fair, and equitable settlement of Plaintiffs' claims as to which State Farm's liability had become reasonably clear;
- e. Failing to affirm or deny coverage of Plaintiff's claims within a reasonable time and failing within a reasonable time to submit a reservation of rights letter to Plaintiff;
- f. Refusing to pay Plaintiff's claims without conducting a reasonable investigation with respect to the claims; and/or
- b. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the insurance policy, in relation to the facts or applicable law, for the denial of a claim or for the offer of a compromise settlement.

52. State Farm has also breached the Texas Insurance Code when it breached its duty of good faith and fair dealing. State Farm's conduct as described herein has resulted in Plaintiff's damages that are described in this Original Petition.

#### **WAIVER AND ESTOPPEL**

53. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

54. State Farm has waived and is estopped from asserting any defenses, conditions, exclusions, or exceptions to coverage not contained in any Reservation of Rights or denial letters to Plaintiff.

#### **DAMAGES**

55. State Farm's acts have been the producing and/or proximate cause of damage to Plaintiff, and Plaintiff seeks an amount in excess of the minimum jurisdictional limits of this Court.

56. More specifically, Plaintiff seeks monetary relief of over \$0 but not more than \$100,000.

#### **ADDITIONAL DAMAGES & PENALTIES**

57. State Farm's conduct was committed knowingly and intentionally. Accordingly, State Farm is liable for additional damages under the DTPA, section 17.50(b) (1), as well as all operative provisions of the Texas Insurance Code. Plaintiff is, thus, clearly entitled to the 18% damages allowed by the Texas Insurance Code.

#### **ATTORNEY FEES**

58. In addition, Plaintiff is entitled to all reasonable and necessary attorneys' fees pursuant to the Texas Insurance Code, DTPA, and sections 38.001-.005 of the Civil Practice and Remedies Code.

#### **COMPEL MEDIATION**

59. Pursuant to §541.161 of the Texas Insurance Code and §17.5051 of the Texas Business and Commerce code, Plaintiff request that Defendant's be made to mediate no later than the 30th day of the signed order by the court.

**JURY DEMAND**

60. Plaintiff demands a jury trial and tenders the appropriate fee with this Original Petition.

**REQUEST FOR DISCLOSURE**

61. Pursuant to the Texas Rules of Civil Procedure, Plaintiff requests that State Farm disclose all information and/or material as required by Rule 194.2, paragraphs (a) through (l), and to do so within 50 days of this request.

**REQUEST FOR PRODUCTION**

62. Pursuant to the Texas Rules of Civil Procedure, Plaintiff propounds the following Requests for Production.
